Foreword

With mixed emotions and dreams, we the seniors of 1965 gaze upward toward an unknown, uncertain, but realistic future. Whatever may befall us in years to come, we shall not forget our parents, teachers, and friends who have guided us to this height in our lives. "Let the word go forth from this time and place that the torch has been passed to a new generation of Americans."

To Our Parents

We the Seniors Gratefully Dedicate

THE 1965 RAMSONIAN

For guiding our steps from life's beginning to the threshold at which we now stand. Their time, love, devotions, patience, and discipline will be reflected in everything we do or say.

We can only return their love and give them their reward in clean, stalwart lives.

So it is with loving hearts and deep appreciation that we dedicate this annual to our parents.

Class Poem

For this hour we have strived,
Through efforts lost and efforts won;
With imperfect guidance and guidance
from God,
Our works will live when life is done.
Come Tomorrows' light and shadow,
Division our number will see;
Divided by river and mountain,
Oh God, together in Thee.

Class Song

Here we are about to say farewell
to Ramseur High,
Knowing that the world awaits to
see us reach our goal.
Here we are, sad to part, yet our
hearts are glad,
What these years have meant to us,
will linger in our hearts.
Thank you parents, teachers, friends,
for all your help and kindness.
Life holds us in its palm, but we
must take wing.
We will go our separate way, but
tied with sweet accord.

Class History

Class History

Well, here we are about to leave Ramseur High. As we look back on all these years, we breathe a sigh of relief, because we have almost accomplished one goal that we have been struggling for since 1953.

As we now look back on those years in the elementary grades, we can see their purpose that we couldn't see then. We realize now that the elementary grades served as a ladder which we must climb in order to make us ready for today's world.

Suddenly we realized that we were surrounded by that long-awaited class of distinction called high school. We had many different teachers, harder textbooks, and the responsibility of being more on our own than in the elementary grades. However, after a short while, we were accustomed to high school life and we began to settle down with hope, anticipation, and curiosity for the other three years to come.

After a brief summer vacation, we returned as sophomores and were ready to meet its challenges. We were happy this year because we couldn't be called "greenhorns" any more.

As the next school term rolled around, we realized that we were now juniors, and just one year away from being a senior. This was a big year because we would be included in the Junior-Senior Prom. The prom was held in the high school gymnasium on May 8, 1964. The theme was "Tender is the Night." Then the time came to order our class rings, and the excitement began to mount because we knew that it wouldn't be long until we would be seniors.

After another brief summer we entered school again, but this time it was really different because we were Seniors! This year proved to be the year to top all the other years because of all the confusion that comes with seniors.

In closing, we would like to say a word of thanks to our teachers and parents who have faithfully and tirelessly guided us through these twelve short years.

We would also like to express a special thanks to Miss McNeill and Mrs. Frazier who gave us much needed help in our senior year. Last, to the students remaining at Ramseur High School, we would like to say thanks for helping make our school years brighter.

Thank You.

Larry Spencer

Class Prophecy

As we gaze into the future of the 1965 graduates of R. H. S., we see many interesting and mysterious things happening.

Doug Branson has broken the world's speed record at the Bonneville Salt Flats in a slightly modified 1956 Chevrolet.
Lynn Lineberry is still engaged in car racing, but not professionally or from a patrolman. Instead he's racing toy cars across the floor trying to entertain his three sons.
Linda Creech and Sandi Macon are top models for SEVENTEEN.
Eric Allred is now head of the Athletic Department at Erect Tech.
Pat Maness with her voice of world renown seems to be recording one big hit after another!
Danny Wood? A beach comber, what else. If you love life, it'll love you.
Joe Smith-a lonely bachelor ever so often putting ads in the paper, "Women wanted, preferably under thirty with money and looks."
Jane Henley has become one of the first nurses to present a yellow rose to all her patients.
Marion Chriscoe has just received her wings from Cow Pasture Airline Company.
Tony Hicks is the best marriage counselor in the state.
Virginia Caviness is owner and operator of Caviness Drugs.
Clinard and Phil's combo is "in", man, and I mean it swings.
Nancy Brown? The reigning Miss America, of course.
Ralph Lindley drives for Queen City Trailways with an umblimished record of perfect driving.
Intern Jimmy Parker is a specialist at mending "broken hearts."
Rosa and Billy have set up housekeeping.
Danny Shaw and Wayne Burgess are running a little cafe called "Tea for Two" in Siler City.
Brenda Cross is still having feuds with her husband, but keep it under your hat; word gets around in small towns.
Gerry Leonard as reporter for GREENSBORO DAILY is always publishing interesting articles like "What's It To You?"
Sarah Lowdermilk is an olympic runner, with Keith as her trainer. She is still using fast breaks to achieve her "goal."
It seems Roger Cox will be stock car racing for the rest of his short life.
Karolyn Cox is emptying waste baskets as the fifth assistant to the fourth Secretary of State, Michael Cox.
Larry Wright is head of Belk's clothing for men in Greensboro.
Willie Brady is making millions by charging fifty-cents admission for folks to look at his gold finger at the State Fair.
Jeannie Wright, Sandra Bridgeman, and Kathryn Burns are secretaries and typists to the never-losing lawyer, Marion Flowers.
Linda Patterson and Roger Stout are living up to their title "Quietest." It seems as though they have their own T. V. program which deals in psychology. They just sit and stare back at the audience.
Gwen Hammer is now riding the white horse in the Ajax commercials.
Preston Hughes has taken Alfalfa's place in the "Little Rascals."
Tommy Allen and Paul Joyce are elephant keepers at the Barnium and Bailey Circus.
Tommy Heileg is singing with Lester Flat and Earl Scruggs.
Audrey Gant is an electrical engineer in a well established firm known as Gant Electric Company.
Larry Spencer and Jackie Carter are leaders of The Royal Mounted Police.
Steve Cox and Mike Dorsett are now sharing the top engineering positions in the Ramseur Sanitation Dept.
Tommy Evington and Carol Parks, detective agents, specialize in locating misplaced items.
Ronald Hicks is a top designer of men's apparel.
Ondrea Shaw and Judy Stuart are stars of the Lucy Show.
Patsy Cheek is the top cosmetologist of Ramseur.
Donald Joyce has now taken over the place of Mr. Trogdon and Mr. Caviness, although his main hobby is picking up cheat sheets.
Larry Lloyd is a time clogger for W. K. I. X.
Marine Mickey Hutchins has been reported injured from fighting Guerillas-not the type of war, but the animal.
Garrett Rightsell has learned that the early bird doesn't always get the worm.

The students at R. H. S. would like to thank the Ramseur Businessmen's Association and the people of our town for making the purchase of our new activity bus possible. In order to raise money, they sponsored a Hootenanny and participated in a "Womanless Wedding." The earnest support of these men is greatly appreciated.
